Parents/caregivers are encouraged to contact the school if they would like to discuss their child's/children's report for an individual subject. The *subject teachers* should be the first point of contact, or Heads of Department if they are not available. Please leave a message with reception for teachers to contact you, and they will return your call as soon as possible.

PLEASE NOTE: If you would like to discuss a number of subject areas please contact the *Dean* for your child who will co-ordinate the feedback you require.

Mufti Day – Thursday 25 March

A portion of the funds raised will go towards Stage Challenge.

PTSA

We are still looking for additional two or three parents to serve on this newly established body involving parents, teachers and students with dedicated fundraising projects for the school. We already have some excellent ideas for these projects and would appreciate your support on these and also welcome any other ideas you may have! Please contact me if you would like to get involved.

Thank you!

Many thanks to the parents who respond to the Early Notification text/email system when their child is absent – this is truly appreciated. For those who phone school with an absence a big thank you.

Reminder

If you still have your survey: Communication with Parents/Caregiver at home we are still accepting these. Your comments are important to us and will enable us to further improve our communication and customer service levels. We also require the Blanket Consent form for EOTC signed for your family and to be returned to the Form Teacher or Office.
