

Kaikoura High School TE PANUI RIKIRIKI

26 May 2011 – No. 12

Tena koutou katoa nga Matua,

Welcome to our new teachers – Sarah Rattray, Stacey Hurndell, Revi Nair and Jason Crockford who will be with us until the end of the year.

URGENT! Recipes Needed

We had a very successful photo shoot for the first set of recipes for our major fundraiser recipe book on Saturday. ***We wish to thank Andrew Spencer for his time and effort in photographing the dishes for the recipes.***

The PTSA have decided to expand the range of recipes to be included in the recipe book fundraiser. We are now looking for recipes that make use of meat and produce, which are available and produced in the Kaikoura and Marlborough region.

So far we have had an excellent response from staff with recipe contributions. We now need more recipes from our wider school community, parents, grandparents and interested friends are all welcome to contribute. Please send your recipes to school with your child or you may email them to

hparkinson@kaikourahigh.school.nz. Please put your name on them so we can credit the person that contributed them when the book is printed.

We would like to include parents and maybe students in the effort for our next photo shoot which involves bringing a dish already made or partially made to a pre determined venue to finish cooking and have it photographed fresh.

Kids, ask grandma or aunty for the recipe of that favourite dish you like and bring it along. Just remember it needs to use local meat or produce in some way. Wild pork, venison, beef, lamb, vegetable dishes, cheese, chutneys, honey, fruit desserts etc. all are appropriate.

I look forward to collecting many more recipes.

Waiata Competition

The Inter-house Waiata Competition will be held on Wednesday 22 June in the gymnasium. Houses will sing our National Anthem in both Te Reo Maaori and in English. Houses then have the opportunity to perform a second item by a range of students extending from Year 7/8 - Year 13. There are a couple of opportunities left for House practices and everyone will be participating. We expect a tough competition - Kia kaha raa koutou katoa!

Important Note: Update your Email Address

- We value the communication with parents and caregivers, and the Te Panui Rikiriki is an important avenue in this regard. We are concerned that caregivers are not receiving the Te Panui Rikiriki's, so this week we are emailing it out to families, as well as providing a hard copy.
- Emailing the newsletter will be our preferred method from next week and will enable the School to save money on printing costs.
- **Can you please contact the School if your email address needs updating.**
- The Te Panui Rikiriki is also available on our School website – www.kaikourahigh.school.nz and appears here the same day it is issued, typically on a Thursday.

**Kaikoura High School Ball, Kaiapoi Sports Exchange and Cross Country photos
are now up on the website for all to enjoy.**

Reminders:

- **Maths Tutorials** – Thursday afternoons 3.00 to 4.00pm run by Bill Lonsdale, Head of Mathematics.

- **Homework Club**

This is an opportunity for students to come and use the library environment as a safe, quiet, work space to further their learning. Students can come to the library on Thursday afternoons from 3.15pm until 5.00pm to study or to work on their homework.

Resources in the library such as the computers and internet will be available, as well as helpful teachers to guide students in their thinking and learning process. This is a school wide opportunity for all students to come and get support for their homework, covering all curriculum levels and topics. The Homework Club will be available every Thursday afternoon, and free afternoon tea is provided.

- **Homework Club - Art**

Senior Art students may use this time after school on Thursdays and come to the art room to do some of their homework or extra work. Friday's study period may also be used for catch up etc., but students must let me know in advance if they will be attending this period. Helen Parkinson
